This warranty covers only the gate operator models listed above manufactured after September 1, 2005. Previously manufactured units are subject to warranty terms in effect at the time of manufacture only.

Linear's sole obligation under this warranty is limited to repairing or replacing, at its option, any parts which shall be determined by Linear to be defective, and is conditioned upon the original customer giving notice of any such defect to Linear within the warranty period. Linear reserves the sole right to make the final decision whether there is a defect in materials and/or workmanship and whether or not the product is within the warranty period. Replacement items may be either new or refurbished. Linear is not responsible for any damages or other costs proximately caused by, or which may result from the installation, handling, non-recommended operation, abuse or product modifications not authorized by Linear or for any damages that may arise out of use of the products. Linear is not liable for any indirect, consequential, punitive or exemplary damages. The liability of Linear herewith shall not exceed the price paid by the customer for the product.

**THE ABOVE WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED INCLUDING THE WARRANTY OF MERCHANTABILITY. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION OF THE FACE HERE OF.**

This warranty shall be considered void if (1) the operator was not installed by an experienced gate operator technician, (2) if visible evidence indicates that recommended installation procedures and maintenance instructions were not followed, (3) if the operator was connected to an improper voltage source, (4) if the operator was not sized appropriately for the particular installation, (5) if the operator was damaged by an Act of God (e.g. lightning strikes, power surges, floods, fire, natural disaster, etc.), or (6) if the operator has been repaired or altered outside of the factory by persons who are not authorized dealers or distributors.

This warranty does not cover normal wear and maintenance items including, but not limited to belts, chains, brake pads, torque limiter facings, fuses, circuit breakers, idler pulleys. This warranty also does not cover weathering or normal environmental aging including fading or oxidation on interior and exterior surfaces or finishes.

Accessories not manufactured by Linear are not covered by this warranty, including but not limited to access control devices and batteries.

Linear is not responsible for field service costs or installation costs. Transportation costs of items returned to Linear pursuant to this warranty are the responsibility of the customer. If the item is determined to be under warranty, Linear will pay UPS ground or LTL costs to return all warranty replacements to the customer.

Informal dispute procedures: Should the customer be dissatisfied with Linear's performance under this warranty, customer should address concerns to: Linear Technical Services Department, 5919 Sea Otter Place, Suite 100, Carlsbad, CA 92010. Linear will then review the matter with the customer in an effort to resolve all issues. The customer shall first exhaust this informal dispute procedure prior to pursuing any other legal remedy.

This warranty gives the customer specific legal rights; the customer may have other rights which vary from state to state.
